Anderson Ranch Arts Center: Residencies are offered in ceramics, new media, photography, furniture design, woodworking, painting, drawing, printmaking and sculpture.

<https://www.andersonranch.org>

Bemis Center for Contemporary Arts: A variety of disciplines are accepted including, but not limited to, visual arts, media/new genre, performance, architecture, film/video, literature, interdisciplinary arts, music composition, and choreography.

www.bemiscenter.org

The Djerassi Resident Artists Program: located near San Francisco, was established in 1979. Typically during a residency session, there will be 3 writers, 1 choreographer, 1 composer, 2 visual artists, and 1 media artist in attendance.

djerassi.org

Headlands Center for the Arts: located outside of San Francisco in a former military building in the Marin Headlands. It is a site for artists to develop new ideas.

www.headlands.org

Kala Art Institute: founded in 1975 and is located in Berkeley, California. It only provides studio space and is geared for artists who work in digital media, printmaking, photography, book arts, or video production.

www.kala.org

The Millay Colony for the Arts: located in the rural environment of Austerlitz, NY, was established in 1973. It was originally the home of poet Edna St. Vincent Millay.

www.millaycolony.org

The Penland School of Crafts: located in the Blue Ridge Mountains in North Carolina, was established in the 1920s. Known for its long-term 3 year-long residencies, the school focuses on the art of crafts.

penland.org

The Ragdale Foundation: located in Lake Forest, IL, was established in 1976. During a residency session, there will be 8 writers, 4 artists and 1 composer attending.

ragdale.org

The Roswell Artist-in-Residence Program: located in Roswell, New Mexico was established in 1967 and provides the "Gift of Time" to its resident artists who stay there from 6 months to 1 year to create.

www.rair.org

Vermont Studio Center: located in Johnson, Vermont in the Green Mountains and was established in 1984, with a focus on painting. Fifty artists and writers per month are selected for the 2-week to 3-month long artist residencies.

vermontstudiocenter.org

Yaddo: renowned as its resident artists have won prestigious awards such as Pulitzer Prizes, MacArthur Fellowships, National Book Awards, and even a Nobel Prize. Each year, approximately 200 artists and other creative types are selected for a 2 weeks to 2 months residency in the beautiful wooded area of Saratoga Springs, NY.

www.yaddo.org

The Jentel Artist Residency Program: Offers dedicated individuals a supportive environment in which to further their creative development. Here, artists and writers experience unfettered time to allow for thoughtful reflection and meditation on the creative process in a setting that preserves the agricultural and historical integrity of the land.

www.jentelarts.org

Ucross Foundation Residency Program: offers the gift of time and space to competitively selected individuals working in all artistic disciplines.

www.ucrossfoundation.org

Willapa Bay AiR: offers month-long, self-directed residencies to emerging and established artists, writers, scholars, singer/songwriters, and musical
